

1. Local Exchange Service Regulations

1.1 Undertaking of the Company

- A The Company undertakes to provide the services in this tariff on the terms and conditions and at the rates and charges set forth herein. The services in this tariff are provided on a resale basis. Ameritech Ohio is the underlying incumbent local exchange carrier.
- B The Company is responsible under this tariff only for the services provided herein, and it assumes no responsibility for any service provided by any other entity, not including agents of the Company. Customers may use services provided under this tariff to obtain access to services offered by other service providers. However, this does not permit the Company to offer any services it purchased from Ameritech Ohio on a resale basis for resale to other carriers.
- C The Company will provide a toll-free number giving Customers access to service personnel 24 hours per day, 7 days per week.
- D The Company will comply with any applicable quality of service requirements according to Ohio laws and rules.

1.2 Terms and Conditions

- A Customers may be required to enter into written service orders which shall contain or reference a specific description of the service ordered, the rates to be charged, the duration of the services, and the terms and conditions in this tariff. The Customer will be required to execute any other documents as may be reasonably requested by the Company.

1. Local Exchange Service Regulations (cont'd)

1.2 Terms and Conditions (cont'd)

- B Service is provided for a minimum period of at least one month, 24 hours a day. A month is considered to have thirty days unless otherwise specified. At the expiration of the initial terms specified in each service order, or in any extension thereof, service shall continue on a month to month basis at the then current tariffed, month to month rates, unless terminated by the Customer. Any termination shall not relieve the Customer of its obligation to pay any charges incurred under the service order and this tariff prior to termination. The rights and obligations which by their nature extend beyond the termination of the term of the service order shall survive such termination.
- C This tariff shall be interpreted and governed by the laws of the State of Ohio without regard for the State's choice of laws provisions.
- D Another telephone company must not interfere with the right of any person or entity to obtain service directly from the Company.
- E The services the Company offers shall not be used for any unlawful purpose or for any use as to which the Customer has not obtained all required governmental approvals, authorizations, licenses, consents and permits.
- F The Customer has no property right to the telephone number or any other call number designation associated with services furnished by the Company. The Company reserves the right to change such numbers, or the central office designation associated with such numbers, or both, assigned to the Customer, whenever the Company deems it necessary to do so in the conduct of its business. Nothing in this provision shall be construed to be inconsistent with number portability requirements.

1. Local Exchange Service Regulations (cont'd)

1.3 Notification of Service Affecting Activities

A The Company will provide the Customer reasonable notification of service-affecting activities that may occur in the normal operation of its business. Such activities may include, but are not limited to, equipment or facilities additions, removals or rearrangements and routine preventive maintenance. Generally, such activities are not specific to an individual Customer but affect many Customers' services. No specific advance notification period is applicable to all service-affecting activities. The Company will work cooperatively with the Customer to determine reasonable notification requirements. With some emergency or unplanned service affecting conditions, such as an outage resulting from cable damage, notification to the Customer may not be possible.

1. Local Exchange Service Regulations (cont'd)

1.4 Provision of Services

- A The Company will make reasonable efforts to make available services to a Customer on or before a particular date, subject to the provisions of and compliance by the Customer with the regulations contained in this tariff. Company will credit in accordance with 4901:1-5-16 for delayed install, missed install or repair appointments and commitments.
- B The Company shall use reasonable efforts to maintain the services that it furnishes to the Customer. The Customer may not rearrange, disconnect, remove, attempt to repair or otherwise interfere with any of the services provided by the Company, except upon the written consent of the Company. The Customer may not permit others to rearrange, disconnect, remove, attempt to repair or otherwise interfere with any of the services provided by the Company, except upon the written consent of the Company.
- C The furnishing of service under this tariff is subject to the availability of all the necessary facilities.
- D Customer bears all responsibility in the event they utilize equipment not approved or authorized by the Company. Customer shall supply all electrical power and other utilities necessary to operate or use the services provided.

1. Local Exchange Service Regulations (cont'd)

1.4 Provision of Services (cont'd)

E The Company shall not be responsible for the installation, operation, or maintenance of any Customer provided communications equipment. Where such equipment is connected to the services furnished pursuant to this tariff, the responsibility of the Company shall be limited to the furnishing of services offered under this tariff and to the maintenance and operation of such services. Beyond this responsibility, the Company shall not be responsible for:

- (i) the transmission of signals by Customer provided equipment or for the quality of, or defects in such transmission; or
- (ii) the reception of signals by Customer provided equipment; or
- (iii) network control signaling where such signaling is performed by Customer provided network control signaling equipment.

F At the Customer's request, installation and/or maintenance may be performed outside the Company's regular business hours or in hazardous locations. In such cases, charges based on cost of the actual labor, material or other costs incurred by or charged to the Company will apply. If installation is started during regular business hours, but at the Customer's request extends beyond regular business hours into time periods including, but not limited to, weekends, holidays, and/or night hours, additional charges may apply.

1.6 Directory Listings

- A The Company will, as a service to the Customer, arrange for listing of Customer's phone number in the local white pages telephone directories, such listing to consist of one line of standard type. The Company's liability with respect to directory listings is set forth in Section 1.5.2 preceding. Customer must contact its yellow pages representative concerning its advertising in yellow pages directories.
- B When a Customer with a nonpublished telephone number, as defined herein, places a call to Emergency 911 Service, the Company will release the name and address of the calling party, where such information can be determined, to the appropriate local governmental authority responsible for the Emergency 911 Service upon request of such governmental authority. By subscribing to service under this tariff, Customer acknowledges and agrees with the release of information as described above.

1. Local Exchange Service Regulations (cont'd)

1.7 Interruptions in Service

An interruption is deemed to have occurred when the phone lines of the underlying provider are inoperative. If a Customer reports a facility, service or circuit to be inoperative but declines to release it for testing and repair, it is considered to be impaired, but not interrupted.

1.7.1 Temporary Suspension for Maintenance

A The Company's underlying provider shall have the right to make necessary repairs or changes in its services at any time and will have the right to suspend or interrupt service temporarily for the purpose of making the necessary repairs or changes in its system. When such suspension or interruption of service for any appreciable period is necessary, the Company will give the Customers who may be affected as reasonable notice thereof as circumstances will permit, and will perform the work with reasonable diligence, and if practicable at times that will cause the Customer the least inconvenience. When the Company's services are being repaired or changed, it shall take appropriate precautions to avoid unnecessary interruptions of Customer's service.

1.7.2 Credit Allowance for Interruptions

A Interruptions of 24 hours or more, are reported to or detected by the Company, and which are not due to negligence or willful act of the Customer are credited to the Customer at the pro rata monthly charge involved for each twenty-four hours or fraction thereof of interruption. Credit is not allowed for interruptions to service of less than 24 hours. Credit allowances for service outages that exceed 24 hours in duration will be rounded up to the next whole 24 hours.

B For calculating credit allowances, every month is considered to have 30 days. A credit allowance for up to 48 hours is applied on a pro rata basis against the monthly recurring charges. A credit of at least one third of a month will be made for interruptions of 48 to 72 hours, and a credit of at least two-thirds of a month will be made for interruptions of 72 to 96 hours, with a full month credit for interruptions in excess of 96 hours. Only those facilities on the interrupted portion of circuit will receive a credit.

1. Local Exchange Service Regulations (cont'd)

1.7 Interruptions in Service (cont'd)

1.9.2 Deposits

A Applicants for service may be required prior to establishing service to provide the Company a security deposit. The deposit requested will be in cash or the equivalent of cash, and will be held as a guarantee for the payment of charges. A deposit does not relieve the Customer of the responsibility for the prompt payment of bills on presentation. Reestablishment of credit for service will be in accordance with Rule 4901:1-17-04.

B The deposit will not exceed an amount equal to two month's average monthly bill for all regulated local exchange services for ensuing twelve months, plus thirty percent (30%) of estimated monthly charges.

C Guarantee of Payment: The Company may accept, in lieu of deposit, a contract signed by a guarantor satisfactory to the Company whereby payment of a specified sum, not exceeding the deposit requirement is guaranteed. The term of such contract shall be for no longer than 12 months, but shall automatically terminate after the customer has closed and paid the account with the utility, or at the guarantor's request upon 30 days' written notice to the Company. Should the guarantee contract be insufficient according to (D) below, a cash deposit or a new or additional guarantee may be required for good cause upon reasonable written notice to the customer.

The service of any customer who fails to comply with these requirements may be disconnected upon notice as prescribed in Ohio Rules. The Company shall mail the guarantor copies of all disconnect notices sent to the customer whose account the guarantor has guaranteed unless the guarantor waives such notice in writing.

D Reestablishment of credit: An applicant for service who previously has been a customer of the utility and whose service was discontinued because of nonpayment of his bills may be required to pay such bill together with the reconnection charge, and to reestablish his credit by depositing the amount prescribed in Section 1.9.2.

1.9 Payment Arrangements (cont'd)

1.9.3 Refund of Deposits

A customer has paid his bills for service for twelve consecutive months without having had service discontinued for nonpayment of his bill, and without having had more than two occasions on which his bill was not paid by the time specified by the regulations of the utility regarding prompt payment of bills, and the customer is not currently delinquent in the payment of his bills. The Company will refund the deposit to the customer by direct payment, or, at the customer's request, apply deposit as a credit to the customer's account.

B When a service or facility is discontinued, the amount of a deposit, if any, will be applied to the Customer's account and any credit balance remaining will be refunded within 45 days from the date of termination. Before the service or facility is discontinued, the Company will return the deposit to the customer or, at the customer's request, apply deposit as a credit to the Customer's account.

Customer shall be liable for all accrued local charges, directory charges, long distance charges and other charges arising prior to the service commencement date, as defined herein, and shall pay the Company for any such charges which may be assessed against the Company in any manner.

B All service, monthly recurring charges and non-recurring charges are due and payable within 14 days of the post mark on the bill, provided however, that installation charges may be spread out over 3 months.

C The Company shall present bills for recurring charges monthly to the Customer, in advance of the month which service is provided.

1.9 Payment Arrangements (cont'd)

1.9.5 Bills and Collection of Charges (cont'd)

D For new customers or existing customers whose service is disconnected, the charge for the fraction of the month in which service was furnished will be calculated on a pro rata basis. For this purpose, every month is considered to have 30 days.

E A late payment charge of 1.5% is not applicable to subsequent rebilling of any amount to which a late payment charge has already been applied. Late charges are to be applied without discrimination.

F A minimum charge of \$10 and a maximum charge of \$25 will be assessed for checks with insufficient funds or non-existing accounts. The Company may waive the bad check charge under appropriate circumstances.

G If Customer chooses to place information services provider (ISP) calls or receives calls via a non-Airespring, Inc. affiliated carrier, customer will be liable for all charges related to such calls; including without limitation, charges billed to the Company or Customer by ISP or other carriers, any applicable rebilling charge and charges for any service provided by the Company or its affiliates.

1. Local Exchange Service Regulations (cont'd)

1.9 Payment Arrangements (cont'd)

1.9.6 Disputed Bills

A The Customer shall notify the Company of any disputed items on a bill within a reasonable period of time after receipt of the bill. The existence of a disputed amount does not relieve the customer of their obligation to pay current charges. If the Customer and the Company are unable to resolve the dispute to their mutual satisfaction, the Customer may file a complaint with the Commission in accordance with the Commission's rules of procedure.

B The date of the dispute shall be the date the Company receives sufficient documentation to enable it to investigate the dispute.

C The date of the resolution is the date the Company completes its investigation and notifies the Customer of the disposition of the dispute.
