**TARIFF FORMAT**

A. Sheet Numbering: Sheet numbers appear in the upper right corner of the page. Sheets are numbered sequentially. However, new sheets are occasionally added to the tariff. When a new sheet is added between sheets already in effect, a decimal is added. For example, a new sheet added between pages 11 and 12 would be page 11.1.

B. Sheet Revision Numbers: Revision numbers also appear in the upper right corner of each sheet where applicable. These numbers are used to indicate the most current page version on file with the Commission. For example, 4th Revised Sheet 13 cancels 3rd Revised Sheet 13. Consult the Check Sheet for the sheets currently in effect.

C. Paragraph Numbering Sequence: There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:

- 2.
- 2.1
- 2.1.1
- 2.1.1.A
- 2.1.1.A.1
- 2.1.1.A.1.(a)
- 2.1.1.A.1.(a).I
- 2.1.1.A.1.(a).I.(i)
- 2.1.1.A.1.(a).I.(i).(1)

D. Check Sheets: When a tariff filing is made with the Commission, an updated Check Sheet accompanies the tariff filing. The Check Sheet lists the sheets contained in the tariff, with a cross reference to the current Revision Number. When new sheets are added, the Check Sheet is changed to reflect the revision. All revisions made in a given filing are designated by an asterisk (\*). There will be no other symbols used on this sheet if these are the only changes made to it (i.e., the format, etc. remains the same, just revised revision levels on some sheets). The tariff user should refer to the latest Check Sheet to find out if a particular sheet is the most current on Commission file.

**SECTION 2 - RULES AND REGULATIONS****2.1 Undertaking of the Company**

This tariff contains the regulations and rates applicable to intrastate interexchange telecommunications services provided by the Company for telecommunications between points within the State of Hawaii. Services are furnished subject to the availability of facilities and subject to the terms and conditions of this tariff in compliance with limitations set forth in the Commission's rules. The Company's services are provided on a statewide basis and are not intended to be limited geographically. The Company offers service to all those who desire to purchase service from the Company consistent with all of the provisions of this tariff. Customers interested in the Company's services shall file a service application with the Company, which fully identifies the Customer, the services requested and other information requested by the Company. The Company reserves the right to examine the credit record and check the references of all applicants and Customers. The Company may examine the credit profile/record of any applicant prior to accepting the service order. The service application shall not in itself obligate the Company to provide services. The Company will comply with all applicable provisions of the Fair Credit Reporting Act.

The Company may act as the Customer's agent for ordering access connection facilities provided by other carriers or entities when authorized by the Customer, to allow connection of a Customer's location to a service provided by the Company. The Customer shall be responsible for all charges due for such service arrangement.

- 2.1.1 The services provided by the Company are not part of a joint undertaking with any other entity providing telecommunications channels, facilities, or services, but may involve the resale of the Message Toll Services (MTS) and Wide Area Telecommunications Services (WATS) of underlying common carriers subject to the jurisdiction of this Commission.
- 2.1.2 The rates and regulations contained in this tariff apply only to the services furnished by the Company and do not apply, unless otherwise specified, to the lines, facilities, or services provided by a local exchange telephone company or other common carriers for use in accessing the services of the Company.

2.1.3 The Company reserves the right to discontinue furnishing services, or limit the use of service necessitated by conditions beyond its control, including, without limitation: lack of satellite or other transmission medium capacity; or when the use of service becomes or is in violation of the law or the provisions of this tariff, subject to the limitations set forth in HAR Sections 6-80-106 and 6-80-103.

**2.2 Use of Services**

2.2.1 The Company's services may be used for any lawful purpose consistent with the transmission and switching parameters of the telecommunications facilities utilized in the provision of services, subject to any limitations set forth in this Section 2.2.

2.2.2 The use of the Company's services to make calls which might reasonably be expected to frighten, abuse, torment, or harass another or in such a way as to unreasonably interfere with use by others is prohibited.

2.2.3 The use of the Company's services without payment for service or attempting to avoid payment for service by fraudulent means or devices, schemes, false or invalid numbers, or false calling or credit cards is prohibited.

2.2.4 The Company's services are available for use 24 hours per day, 7 days per week.

2.2.5 The Company does not transmit messages, but the services may be used for that purpose.

2.2.6 The Company's services may be denied for nonpayment of charges which are not in dispute, or for other violations of this tariff subject to the provisions of HAR Section 6-80-106.

2.2.7 Customers shall not use the service provided under this tariff for any unlawful purpose.

2.2.8 Customer shall notify the Company immediately of any unauthorized use of services.

**2.3 Liability of the Company (In the event of a conflict with State law, State law shall prevail)**

2.3.1 The Company shall not be liable for, and shall be fully indemnified and held harmless by the Customer against any claim, loss, expense, or damage for defamation, libel, slander, invasion, infringement of copyright or patent, unauthorized use of any trademark, trade name or service mark, proprietary or creative right, or any other injury to any person, property or entity arising out of the material, data or information transmitted.

**In the event of a conflict with State law, State law shall prevail.**

2.3.2 No agent or employee of any other carrier or entity shall be deemed to be an agent or employee of the Company. **In the event of a conflict with State law, State law shall prevail.**

2.3.3 The Company's liability for damages, resulting in whole or in part from or arising in connection with the furnishing of service under this tariff, including but not limited to mistakes, omissions, interruptions, delays, errors, or other defects or misrepresentations shall not exceed an amount equal to the charges provided for under this tariff for the long distance call for the period during which the call was affected. **In the event of a conflict with State law, State law shall prevail.**

2.3.4 The Company shall not be liable for any indirect, special, incidental, or consequential damages under this tariff including, but not limited to, loss of revenue or profits, for any reason whatsoever, including the breakdown of facilities associated with the service, or for any mistakes, omissions, delays, errors, or defects in transmission occurring during the course of furnishing service. **In the event of a conflict with State law, State law shall prevail.**

- 
- 2.3.5 The remedies set forth herein are exclusive and in lieu of all other warranties and remedies, whether express, implied, or statutory, INCLUDING WITHOUT LIMITATION IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. Nothing in this tariff shall limit the Company's liability for negligence. **In the event of a conflict with State law, State law shall prevail.**

#### **2.4 Responsibilities of the Customer**

- 2.4.1 The Customer is responsible for placing any necessary orders and complying with tariff regulations. The Customer is also responsible for the payment of charges for services provided under this tariff.
- 2.4.2 The Customer is responsible for charges incurred for special construction and/or special facilities, which the Customer requests and which are ordered by the Company on the Customer's behalf.
- 2.4.3 If required for the provision of the Company's services, the Customer must provide any equipment space, supporting structure, conduit and electrical power without charge to the Company.
- 2.4.4 The Customer is responsible for arranging access to its premises at times mutually agreeable to the Company and the Customer when required for Company personnel to install, repair, maintain, program, inspect or remove equipment associated with the provision of the Company's services.
- 2.4.5 The Customer shall cause the temperature and relative humidity in the equipment space provided by Customer for the installation of the Company's equipment to be maintained within the range normally provided for the operation of microcomputers.
- 2.4.6 The Customer shall ensure that the equipment and/or system is properly interfaced with the Company's facilities or services, that the signals emitted into the Company's network are of the proper mode, bandwidth, power and signal level for the intended use of the subscriber and in compliance with criteria set forth in this tariff, and that the signals do not damage equipment, injure personnel, or degrade service to other Customers. equipment as being technically acceptable for direct electrical connection with interstate communications service, the Company will permit such equipment to be connected with its channels without the use of protective interface devices. If the Customer fails to maintain the equipment and/or the system properly, with resulting imminent harm to Company equipment, personnel or the quality of service to other Customers, the Company may, upon written notice, require the use of protective equipment at the Customer's expense. If this fails to produce satisfactory quality and safety, the Company may, upon five (5) working days' written notice (plus an additional two (2) days if notification is mailed), terminate the Customer's service.

- 2.4.7 The Customer must pay the Company for replacement or repair of damage to the equipment or facilities of the Company caused by negligence or willful act of the Customer or others, by improper use of the services, or by use of equipment provided by Customer or others.
- 2.4.8 The Customer must pay for the loss through theft of any Company equipment installed at Customer's premises.
- 2.4.9 Reserved for Future Use.
- 2.4.10 The Customer must use the services offered in this tariff in a manner consistent with the terms of this tariff and the policies and regulations of all state, federal and local authorities having jurisdiction over the service.

## **2.5 Cancellation or Interruption of Services**

- 2.5.1 Subject to Hawaii Administrative Rules Section 6-80-106, without incurring liability, upon five (5) working days' (defined as any day on which the company's business office is open and the U.S. Mail is delivered) written notice to the Customer, and an attempt to reach Customer by telephone, the Company may

immediately discontinue services to a Customer or may withhold the provision of ordered or contracted services. If the notification is mailed to the customer, the customer shall be allowed an additional two (2) days to respond:

- 2.5.1.A For nonpayment of any undisputed sum due the Company for more than thirty (30) days after issuance of the bill for the amount due,
  - 2.5.1.B For violation of any of the provisions of this tariff,
  - 2.5.1.C For violation of any law, rule, regulation, policy of any governing authority having jurisdiction over the Company's services, or
  - 2.5.1.D By reason of any order or decision of a court, public service commission or federal regulatory body or other governing authority prohibiting the Company from furnishing its services.
  - 2.5.1.E Pursuant to HAR Section 6-80-114(14), a customer's basic residential service may not be disconnected due to the non-payment of interisland, interstate, or international service, flexibly priced services, or any telecommunications service offered by a third-party.
- 2.5.2 Without incurring liability, the Company may interrupt the provision of services, for a period not to exceed one hour, in order to perform tests and inspections to assure compliance with tariff regulations. The Company shall promptly notify its affected customers before the interruption occurs.

- 2.5.3 Service may be discontinued by the Company without notice to the Customer, by blocking traffic to certain countries, cities or NXX exchanges, or by blocking calls using certain Customer authorization codes, when the Company deems it necessary to take such action to prevent unlawful use of its service. The Company will restore service as soon as it can be provided without undue risk, and will, upon request by the Customer affected, assign a new authorization code to replace the one that has been deactivated.
- 2.5.4 The Customer may terminate service upon thirty (30) days written notice for the Company's standard month to month contract. Customer will be liable for all usage on any of the Company's service offerings until the Customer actually leaves the service. Customers will continue to have Company usage until the Customer notifies its local exchange carrier and changes its long distance carrier. Until the Customer so notifies its local exchange carrier, it shall continue to be responsible for payment of any long distance usage it generates.

## **2.6 Credit Allowance**

- 2.6.1 Credit may be given for disputed calls, on a per call basis.
- 2.6.2 Credit shall not be issued for unavailability of long distance services.
- 2.6.3 Credit allowance for the interruption of service which is not due to the Company's testing or adjusting, negligence of the Customer, or to the failure of channels or equipment provided by the Customer, are subject to the general liability provisions set forth in 2.3 herein. It shall be the obligation of the Customer to notify the Company immediately of any interruption in service for which a credit allowance is desired. Before giving such notice, the Customer shall ascertain that the trouble is not being caused by any action or omission by the Customer within his control, or is not in wiring or equipment, if any, furnished by the Customer and connected to the Company's facilities.
- 2.6.4 No credit is allowed in the event that service must be interrupted in order to provide routine service quality or related investigations.

- 
- 2.6.5 Credit for failure of service shall be allowed only when such failure is caused by or occurs due to causes within the control of the Company or in the event that the Company is entitled to a credit for the failure of the facilities of the Company's Underlying Carrier used to furnish service.
- 2.6.6 Credit for interruption shall commence after the Customer notifies the Company of the interruption or when the Company becomes aware thereof, and ceases when service has been restored.
- 2.6.7 For purposes of credit computation, every month shall be considered to have 720 hours.
- 2.6.8 No credit shall be allowed for an interruption of a continuous duration of less than two hours.
- 2.6.9 The Customer shall be credited for an interruption of two hours or more at the rate of 1/720th of the monthly charge for the facilities affected for each hour or major fraction thereof that the interruption continues.

Credit Formula:

$$\text{Credit} = \frac{A}{720} \times B$$

"A" - outage time in hours

"B" - monthly charge for affected activity

- 2.6.10 If service is interrupted by a natural or other disaster beyond the control of Company, the Company shall make adjustments and refunds to its affected customers if service is not restored within 48 hours.

## 2.7 Restoration of Service

The use and restoration of service shall be in accordance with the priority system specified in part 64, Subpart D of the Rules and Regulations of the Federal Communications Commission.

**2.8 Deposit**

The Company does not require deposits.

**2.9 Reserved for Future Use****2.10 Payment and Billing**

2.10.1 Service is provided and billed on a billing cycle basis, beginning on the date that service becomes effective. Billing is payable upon receipt. A late fee will be assessed upon unpaid amounts not in dispute 30 days after rendition of bills in accordance with Section 2.13 herein.

2.10.2 The customer is responsible for payment of all charges for services furnished to the Customer, as well as to all persons using the Customer's codes, exchange lines, facilities, or equipment, with or without the knowledge or consent of the Customer. The security of the Customer's Authorization Codes, subscribed exchange lines, and direct connect facilities is the responsibility of the Customer. A credit will be made available if the Customer can demonstrate illegal or unauthorized use of service beyond Customer's reasonable control. Charges based on actual usage during a month and any accrued interest will be billed monthly in arrears.

2.10.3 All disputed bills are subject to HAR Section 6-80-102 and herein Section 3.2.

**2.11 Collection Costs**

In the event Company is required to initiate legal proceedings to enforce any judgment obtained against a Customer, Customer shall, in addition to all amounts due, be liable to Company for all reasonable costs incurred by Company to enforce such judgment.

**2.12 Taxes**

**SECTION 3 - DESCRIPTION OF SERVICE**

**3.1 Computation of Charges**

3.1.1 The total charge for each completed call may be a variable measured charge dependent on the duration, distance and time of day of the call. The total charge for each completed call may also be dependent only on the duration of the call, i.e. a statewide flat rate per minute charge. The variable measured charge is specified as a rate per minute, which is applied to each minute. All calls are measured in increments as set forth in the Rates Section of this tariff. Fractions of a billing increment are rounded up to a full billing increment on a per call basis. Fractions of a cent per minute are rounded up to a full cent on a per call basis.

3.1.2 Reserved for Future Use.

3.1.3 Timing begins when the called station is answered and two way communication is possible, as determined by standard industry methods generally in use for ascertaining answer, including hardware answer supervision in which the local telephone company sends a signal to the switch or the software utilizing audio tone detection. Recognition of answer supervision is the responsibility of the Underlying Carrier. Timing for each call ends when either party hangs up. The Company will not bill for uncompleted calls.

**3.2 Customer Complaints and/or Billing Disputes**

All Customer complaints are subject to Hawaii Administrative Rules Section 6-80-107. Customer inquiries or complaints regarding service or accounting may be made in writing or by telephone to the Company at:

7800 Woodley Ave.,  
Van Nuys, California 91406  
(888) 389-2899

Upon notification of a dispute, the Company will notify the Customer within five (5) working days of its receipt of the dispute notice and shall undertake an investigation of the dispute charges. At the conclusion of the investigation, the Company will notify the customer of any amount determined by the Company to be correctly charged and the Customer shall pay such amount to the Company within fifteen (15) days. The Company may suspend/terminate service if the Customer fails to pay the amount determined by the Company to be properly charged.

All billing disputes are subject to Hawaii Administrative Rules Section 6-80-102. Any objection to billed charges should be reported promptly to the Company. Adjustments to Customers' bills shall be made to the extent that records are available and/or circumstances exist which reasonably indicate that such charges are not in accordance with approved rates or that an adjustment may otherwise be appropriate. Where overbilling of a subscriber occurs, due either to Company or subscriber error, no liability exists which will require the Company to pay any interest, dividend or other compensation on the amount overbilled. All Customer complaints and inquiries regarding service or billing are subject to the jurisdiction of the Commission, which may be contacted at the following address and telephone number:

Hawaii Public Utilities Commission  
465 South King Street, Room 103  
Honolulu, HI 96813  
808-586-2020

The Company will provide basic information concerning its telecommunications to Customers in accordance with HAR Section 6-80-114.
