LOCAL EXCHANGE PRICELIST

SECTION 1 - SERVICES, PRICES AND CHARGES

1. LOCAL EXCHANGE SERVICE
 - a. Business Local Exchange Services are available where facilities and/or network accessibility are available from the underlying carrier. The charges quoted are for a period of one month, a month is considered to have 30 days, and are payable monthly in advance.
 - b. Timing of calls begins when the called station is answered, as determined by standard industry methods generally in use for ascertaining answer, including hardware answer supervision in which the local telephone company sends a signal to the switch or the software utilizing audio tone detection. The company does not bill for incomplete calls.

C. Analog Integrated T-1 Service

Analog Integrated T-1 Service combines local and long distance telephone service. This service also provides the user with local and IntraLATA calling packages, optional calling features and various non-regulated services.

This service includes 1,000 minutes of local calling usage per line. Local service calls over the 1,000 included minutes will be billed at \$0.01 per minute. Optional intraLATA and interLATA long distance service is also available through rates provided in the Company's Maryland Long Distance Tariff.

Local calls are billed in one (1) minute increments, long distance calls are billed an initial eighteen (18) seconds and six (6) seconds thereafter. All services require a minimum of a Two (2) Year Term Agreement. Cancellation of Term Agreement prior to the end of the term will result in early cancellation penalties being applied.

1. Terms and Conditions

- a. Integrated T-1 service is provided by dedicated T-1 circuits and includes up to 24 voice channels.
- b. Voice traffic takes priority over data traffic in mixed usage situations.
- c. All calls originated on these circuits must be completed and billed to the customer by the Company.
- d. Installation Fee includes installing the circuit and the connecting/testing of the the Company's supplied hardware. Company provided equipment must be returned at the end of the term agreement. Additional penalties will be assessed for non-returned or damaged equipment.

SECTION 2 - RULES AND REGULATIONS

1. INTERCONNECTION

Interconnection with the facilities or service of other carriers shall be under the applicable terms and conditions of the other carrier's tariffs. The customer is responsible for taking all necessary legal steps for interconnecting customer-provided terminal equipment or communications systems with carrier's facilities. The customer shall secure all licenses, permits, right-of-way, and other arrangements necessary for such interconnection. Any special interface equipment of facilities necessary to achieve compatibility between the facilities of the carrier and other participating carriers shall be provided at the customer's expense.

2. APPLICATION FOR SERVICE

Application for service may be made verbally or in writing. The name(s) of the customer(s) desiring to use the service must be set forth in the application for service.

SECTION 2 - RULES AND REGULATIONS (cont.)

3. DEPOSITS

Deposits and/or advanced payments are not required.

4. PAYMENT AND BILLING

- a. Service is provided and billed on a monthly basis in arrears.
- b. Initial billing for set-up and installation charges or monthly service fees will not commence for any new customer until the customer has actually been placed in service.
- c. Billing will be payable upon receipt and past due 15 days after issuance.

5. CANCELLATION BY CUSTOMER

- a. Cancellation of service by the customer can be made either verbally or in writing and is applied as follows:
 - i. Where an application for service is canceled by the customer prior to the start of any design work or installation of facilities, no charge applies.
 - ii. When an application which requires special design work is canceled after the design work has begun, the company may collect charges equal to the cost incurred for the associated design work to date.
 - iii. If cancellation is requested after completion of an installation, it will be treated as a discontinuance of service. Any minimum contract requirements of prescribed service will be applicable.

SECTION 2 - RULES AND REGULATIONS (cont.)

6. DISCONNECTION OF SERVICE BY CARRIER
- a. The carrier may discontinue for any of the following reasons:
- i. Nonpayment of bills;
 - ii. Tampering with the company's property;
 - iii. Vacation of the premises by subscriber;
 - iv. Violation of rules, service agreements, or filed price list;
 - v. Use of subscriber equipment which adversely affects the company's service to its other subscribers;
 - vi. Fraudulent obtaining or use of service;
 - vii. Unlawful use of service or use of service for unlawful purposes.
- b. Except in case of danger to life or property, fraudulent use, impairment of service, or violation of law, the carrier will, prior to disconnection, mail written notice of the pending disconnection to the subscriber. The company will not disconnect service prior to the eighth business day following mailing of the notice. In the alternative, the company may provide delivered notice and disconnect not prior to 5:00 p.m. of the next business day.

SECTION 2 - RULES AND REGULATIONS (cont.)

- c. Before service is disconnected, the company will make a good faith effort to reach the subscriber by telephone to advise the subscriber of the pending disconnection and the reasons therefor. The company will maintain a log or record of the attempts, showing the telephone number called and the time of call. In the alternative, the company may provide personal notice.

Telephone or personal contact need not be attempted when the company has attempted such contact in any two billing periods during a consecutive twelve-month period and the company has notified the subscriber in writing that telephone or personal contact will not be attempted in the future before disconnecting service.

- d. All notices of delinquency or pending disconnection will include details pertinent to the situation and describe how the subscriber can make contact with the company to resolve any differences. All notices must accurately state amounts owing for service(s) which are subject to disconnection. A new notice will be required in cases where information is incorrect.
- e. Except in case of danger to life or property, no disconnection shall be made on Saturdays, Sundays, legal holidays, or on any other day on which the company cannot reestablish service on the same or following day.

SECTION 2 - RULES AND REGULATIONS (cont.)

- f. When the company has reason to believe service is to other than the subscriber of record, the company shall undertake reasonable efforts to inform occupants of the service address of the impending disconnection. In this case, at the request of the service users, a minimum period of five business days will be allowed to permit the service users to arrange for continued service.
- g. The company may not immediately disconnect service if the customer has met the requirements regarding a medical emergency.
- h. Service will not be totally disconnected while a subscriber is pursuing any remedy or appeal provided for by Commission rules, provided any amounts not in dispute are paid when due.

SECTION 2 - RULES AND REGULATIONS (cont.)

- i. Service will be restored when the causes of discontinuance have been removed and when payment or satisfactory arrangements for payment of all proper charges due from the customer has been made as provided for in the Price List of the carrier.

- 7. INTERRUPTION OF SERVICE
 - a. The company will follow the Commission's rules in the case of major outage and/or service interruption.

 - b. It is the obligation of the customer to notify the carrier of any interruptions in service. Before giving such notice, the customer shall ascertain that the trouble is not being caused by any action or omission of the customer, not within the customer's control, or is not in wiring or equipment connected to the terminal of the carrier.

 - c. All reported interruptions of service will be restored within two working days, excluding Sundays and holidays, except those caused by emergency situations, unavoidable catastrophes and force majeure.

- 8. RESTORATION OF SERVICE
 - a. The use and restoration of service in emergencies shall be in accordance with Part 64, Subpart D of the Federal Communications Commission's Rules and Regulations, which specifies the priority system for such activities.

- 9. TAX ADJUSTMENT
 - a. The Company concurs in the Municipal Utility Occupation tax schedules of each Local Exchange Company tariff in the state of Texas to the extent those local taxes are both current and applicable to the services the Company provides. This amount will be separately stated on each bill to the customer.
